Tamil Nadu-637101

SKILLS

••Good in Communication

••Technically strong in Python with datasets

and numpy and pandas library.

EDUCATION

Under Graduation (UG)

K.S.R. COLLEGE OF ENGINEERING
Tiruchengode, Namakkal-637215

2023-2027

Currently I pursueing my B.Tech (Information Technology) with CGPA of 9.35

Higher Secondary

KALAIMAGAL VIDHYASHRAM Mr. H. Sec. School

2022-2023

Completed Higher Secondary 2nd year

2021-2022

Completed Higher Secondary 1st year
SSLC(10th)

KALAIMAGAL VIDHYASHRAM Mr. H. Sec. School
2020-2021
Completed my SSLC Education in KVMHSS School.

OBJECTIVES

To pursue a challenging role as " AI & ML Developer" towards the growth of the organisation which requires detail and development except.

COURSE COMPLETED

••Completed "AI and ML Developer" course with the modules

of Tensorflow in Google Developer .
••Completed "The Generative AI"in Google with sheduled

modules for the handling of the ML & GPT models.

••Completed "The Machine learning onramp" in MATLAB.

LANGUAGE KNOWN

=>Tamil
=>English

SOFTWARE KNOWLEDGE

--->**Python** - I have an experience in handling the data sent in Pandas library to access the data and to train the data.
--->**Github** - I have an experience in handling Github.

--->**Azure**- I have an experience in handling the Azure cloud platform of Microsoft of the working of train and testing the GPT model in AI.

HOOBIES

=>Reading books.
=>Watching movies.

ADDITIONAL

>>> I have doing my ML Developer career in the Kaggle in Google that 's the platform for handling data science and ML prediction datasets and real time data are provided to gain the knowledge .
